

## Jack

Jack is the original 'sitting, stacking, lighting thing', an award-winning multifunctional object. Available in white (with a light).

Process	Produced from polyethylene Jack uses the industrial process of air rotation-moulding. Plastic polythene pellets are added into a five-part tool, rotated and heated to high temperatures which creates a plastic wall of event thickness.	
Year of design	1994	
Material	Polyethylene	
Product code	Jack Light - White	JLS01N
Type	Seat / Floor Light	
Fitting	Floor Fitting	SFA04EU / SFA04US
Colour	White
